Equivalency Determination Certificate

issued on November 16, 2018

I, Martha Lackritz-Peltier, a qualified tax practitioner, hereby attest that I have reviewed the information provided to NGOsource by Istituto Istruzione Superiore Albert Einstein, located in Vimercate, Italy, and have determined based on that information that

Istituto Istruzione Superiore Albert Einstein

is a foreign government, agency or instrumentality thereof, or an international organization, as described in section 53.4945-5(a)(4)(iii) of the U.S. Treasury Regulations.

The information I have reviewed appears sufficient to me to support these conclusions, and I do not have any knowledge that would cause me to doubt the accuracy of the materials upon which I have relied in reaching this conclusion. The factual basis for this conclusion is summarized in the attached schedules.

Micron Technology Foundation, Inc. is entitled to rely on this determination until
December 31, 2019

but not if grantmaker has knowledge that causes grantmaker to doubt the accuracy of this opinion or the material facts upon which it is based (as described in the attached sheet).

ngosource.org

Please keep this certificate and the accompanying documentation for your records. Please note that an equivalency determination is only one of the steps your organization must undergo prior to disbursement of grant funds. See usig.org/gmbasics.asp for more information.
